Most people do not succeed for the simple reason that they are out of position. Opportunity knocks at their door, but they are out to lunch. The biggest factor keeping most people out of position for success is bondage to the past. Guilt, shame, regret, anger, bitterness, an unforgiving spirit and other baggage from the past prevent people from moving forward. People who focus on the past cannot focus on the prize of the upward call of God in Christ Jesus, which is the destiny of every believer.

WELCOME TO CITY CATHEDRAL CHURCH

Beloved

A Church family should not be based on how you dress, what you look like, what color you are or how much you make. Our church family is made up of people who celebrate God's Promise to love us, no matter who we are.

We Promise … upbeat musical worship and uplifting and inspiring messages from God delivered by our Pastor.

We Promise … to provide a safe, caring environment for all of God's children in our nursery, children's and youth activities.

We Promise … you'll never think of a church family the same way again.

EXPERIENCE LOVE AND LIFE AT THE CITY!

Grace, Peace & Love,
Bishop Leroy J. Woodard, Jr.
Senior Pastor
