Most people do not succeed for the simple reason that they are out of position. Opportunity knocks at their door, but they are out to lunch. The biggest factor keeping most people out of position for success is bondage to the past. Guilt, shame, regret, anger, bitterness, an unforgiving spirit and other baggage from the past prevent people from moving forward. People who focus on the past cannot focus on the prize of the upward call of God in Christ Jesus, which is the destiny of every believer.

WELCOME TO CITY CATHEDRAL CHURCH

As the Holiday Season draws near, I wanted to take a moment to extend my warmest greetings and best wishes to you and your loved ones.

This year has been filled with challenges and uncertainties for all of us, however, in the spirit of the Holiday Season, let us take this opportunity to reflect on the positive moments, the strength we have shown, and the valuable lessons we have learned along the way.

May the Holiday Season bring you joy, love and laughter and may the New Year be filled with health, happiness and hopeful success.

Wishing you a delightful Holiday Season and a prosperous New Year!
